

Application for exemption from ice breaking restrictions

- Exempts can be granted if there is available ice breaking capacity, or if there is a temporary ease in the weather and ice conditions.
- Exempts are generally not granted to vessels older than 20 years.
- Exempts are only granted for one voyage at a time.
- Correctly completed application forms received before 12:00 Local Swedish Time on weekdays will generally be considered before 16:00 Local Swedish Time the next weekday.

Applications are made by filling out this form and e-mailing it to opc@sjofartsverket.se

Incorrectly completed forms will be returned to sender
